PERSONAL DATA

The use of personal data by evionica.com is provided in accordance with the Personal Data Protection Act of 29 August 1997 (Law Gazette 1997, No. 133, item 883, as amended, hereinafter referred as the act on the Protection of Personal Data) and the Electronic Services Act of 18 July 2002 (Law Gazette 2002 No. 144, Item 1204, as amended).

The Administrator carefully ensures the interests of concerned person. In particular the service provider ensure that the data collected by him is processed in accordance with the law. Data are collected for established and legal purposes and are not subjected to further processing for other purposes or third parties. The relevance is among other things the form to secure data and to enable the identification of the persons concerned.

The administrator uses technical and organizational measures to protect personal data and other categories of data from risks. The protection includes among other things the deletion and modification of data by unauthorized persons or unauthorized disclosures.

Personal data are processed by evionica.com to fulfill contracts between the parties.

The transfer of personal data is voluntary but also mandatory to establish and fulfill a contract on the website. If the personal data is not provided in the process, no contract can be concluded or fulfilled.

If an electronic payment method or credit card is chosen the Administrator reserves the right to transfer the collected personal data to the Paying Institution. In addition to the above, personal data will not be made available to third parties. Exceptions include cases where we have the prior approval of the user or if the disclosure is legally obligatory.

The basis for the processing of personal data or the customer is a necessity to implement an agreement in which the parties wish to conclude an intention or a agree a contract.

The administrator gives users or visitors the right to access and correct their data. You can send the appropriate request to the administrator at any time while providing contact details.

COOKIES AND SERVICE DATA

Cookies are small textual information in the form of text files sent by the server and storing web page visitor data (for example, on your hard disk, laptop or on the memory card of your smartphone - depending on which device you use when visiting the website). Detailed information about cookies as well as the history of their origins can be found here:

https://en.wikipedia.org/wiki/HTTP_cookie.

The administrator processes the data contained within the cookies and by the visitors on evionica.com for the following purposes:

- identification of registered users on the website and to evaluate whether they are registered;
- to adjust the content of the website to the individual user preferences (for example in terms of color, font size, page layout, etc.) and subsequently optimize the use of the website;
- Creation of anonymous statistics showing how the website is used - personal identification of visitors is not visible.

Standardized most web browsers on the market accept cookies that are stored. Visitors have the option to specify conditions for the use of cookies in the settings. This can be done with the settings in your own web browser. This means that you can for example restrict cookies (for example from time perspective) or completely disable the setting that cookies are stored on your device. In the last example (disable the settings) it can have a certain influence on the functionality of the website.

During a visit on evionica.com you can set Internet browser settings taking into account the cookies. These are relevant for the administrator. The consent can also be expressed via the web browser settings.

Details regarding the settings for the use of cookies can be changed independently in the most common web browsers.

The administrator also stores operating data such as the IP address of the visitors (i.e. the log files) that are stored and used indefinite period. Based on the data statistics can be created that allow to improve the website. These data are cumulative and anonymous, i.e. Visitors of evionica.com do not provide any identifying features.

CONCLUDING COMMENTS

The website may contain links to other websites. The administrator points out that the respective data protection regulations specified there are mandatory on the other websites. This privacy protection policy applies only to evionica.com. In all questions relating to these data protection regulations you can contact the administrator by e-mail office@evionica.com or in written form to the address **Al. Stanów Zjednoczonych 51 lok. 620, PL-04-028 Warsaw**.
